

LEE & PLUMPTON

Inspiration At Work

COLLABORATION & SOCIAL SPACES

DESIGN | QUALITY | SERVICE

Today's office workplace requires a choice of settings to allow for individual preferences and the variety of work styles. The ambition is to offer different spaces which allow people to work most efficiently and effectively. Everyone is different and will undertake varying tasks and activities during the working day. Quiet areas are necessary for concentration and focussed working whereas alternative environments are needed for collaboration, more formal meetings as well as socialising.

The inclusion of purpose designed settings that allow people to perform their work optimally has a positive impact on employee efficiency and well-being.

Our products are designed and manufactured at our 200,000 square foot purpose built facility in East Anglia. Our extensive expertise allows us to control and manage every step of the process – supported by our appointed supply partner, dealer network.

This brochure provides an introduction to the choice of solutions specifically suited to create more collaborative, interactive and sociable spaces. Our complete portfolio is detailed within our Furniture Collection. To place an order or find out more, call your account manager or a member of our customer services team on 01953 453830 or email sales@leeandplumpton.co.uk. In addition, if you are looking for a custom design solution, our Bespoke department can help.

CREATING EFFECTIVE SPACES

Planning & Design

Our highly experienced designers are available to offer expert space planning and design services. Working from simple sketches or architect plans, we can recommend product choice, configurations and finishes to match desired outcomes and available budget.

Bespoke Design

Unlike many manufacturers, we are able to offer customised solutions to match each client's precise requirements. With its own production unit and dedicated team, our Bespoke department can design and manufacture products from original sketches or develop existing range items to customised specifications.

Sales & Customer Support

Our nationwide sales team offers 'face to face' meetings to provide expert support, advice and guidance as well as facilitating access to our extensive inhouse services including customised marketing materials, product samples and collaborative events.

Every order is carefully monitored and tracked by our customer services team. Fully trained advisors provide a dedicated point of contact to manage queries and requests as well as full after-sales support.

SELS

Sled is the perfect choice for creating ‘community’ or touchdown spaces. The metal framework combines strength and practicality with good looks.

BESPOKE DESIGN SERVICE

STUDENT BED

Custom designed student bed with under bed storage.

MADE TO MEASURE

Our specialist bespoke design team is available to develop customised solutions to match client's precise requirements.

With its own production unit and dedicated team, our Bespoke department can design and manufacture products from original 'sketches' or develop existing range items to match particular specifications.

MEDIA WALL

We are often asked to incorporate audio visual solutions in to our designs.

MOBILE CLASSROOM CUPBOARD

This compact, mobile storage unit was made to specific dimensions. It is ideal for training and classrooms and has already proven to be popular for schools.

A COMMITMENT TO QUALITY

Continuous investment in facilities and training, coupled with a dedicated workforce and strong supplier relationships, ensures the quality, consistency and reliability our customers expect. The management and measurement of our internal processes and procedures drives our quest for development and improvement and, therefore, ongoing customer satisfaction.

ADDITIONAL INFORMATION

This brochure provides an overview of some of the most popular solutions for schools, college, universities and training providers. Full details of our comprehensive product portfolio are included in our Furniture Collection Guide – download your copy at www.leeandplumpton.co.uk/resources/brochures/

GUARANTEE

All products are inspected before dispatch and include a 7 year guarantee, unless otherwise stated. Seating includes a 5 year guarantee.

CARE OF FURNITURE

Wood finishes are heat, stain and scratch resistant when used for their intended purposes. Clean using a damp cloth and mild detergent - do not use abrasive cleaners or bleach.

In order to maintain fabric over the specified guarantee period, upholstery must be cleaned and vacuumed according to the fabric manufacturer's recommendations.

GAS ACTION SEATING

All gas assisted seat height mechanisms used on Lee & Plumpton products are independently tested and approved up to and including a maximum weight of 150 kgs in normal office use.

ORDER CANCELLATIONS

Orders may be cancelled or altered only with the written consent of Lee & Plumpton. Goods made to special order cannot be cancelled. Lee & Plumpton reserves the right to claim all loss and expenses which may be incurred as a result of cancellation. A handling charge of 50% of the net invoice value is made on any goods cancelled or returned with the prior consent of the company.

Orders for 'Made to Order' items (including all soft seating) cannot be cancelled.
