## BRITISH MANUFACTURERS

All Lee & Plumpton furniture is designed and manufactured at our 200,000 square foot factory set in 20 acres of land in the East of England.

We are proud to be considered a leading British manufacturer, and to be an established partner to suppliers and specifiers working in all sectors of commercial and contract interiors.

## COMMITMENT TO QUALITY

Continuous investment in facilities and training, coupled with a dedicated workforce and strong supplier relationships, ensures the quality, consistency and reliability our customers expect.

Our furniture manufacturing system conforms to the Quality Management Standard BS EN ISO 9001:2015

We offer a 7-year guarantee on all products, unless specified.

## OUR PEOPLE

We are a family company who pride ourselves on our quality of product and commitment to client service.

With over 150 employees, we believe that our continued success in delivering excellence relies upon the commitment and integrity of our team. Our people are the foundation of our company values, and we strive to continuously improve our service to you.

# BESPOKE

With its own production unit and dedicated team, our bespoke service offers tailor-made solutions that will transform your specifications into reality.

Whether it is a simple adjustment to one of our existing ranges, or your own unique design, we will deliver to the high standards of quality and finish that define Lee and Plumpton furniture.

If you are unsure what is possible, your Account Manager or a member of our design team will be happy to assist.

From the simplest to the most complex project, our team will support you from initial idea to delivery.

# QUICK & ACCURATE DELIVERY

We will deliver your goods to you with the utmost care.

Rapid order turnaround is guaranteed via our weekly scheduled deliveries and on many items we offer Quick Ship. Whilst our standard deliveries are free of charge, we also offer next day delivery on stocked items, or customers may collect with 24 hours' notice.

## QUICK SHIP

Look out for the Quick Ship logo on selected products. Quick Ship items will be delivered within 5 working days from your order deadline date.

# SALES SUPPORT

## SPACE PLANNING

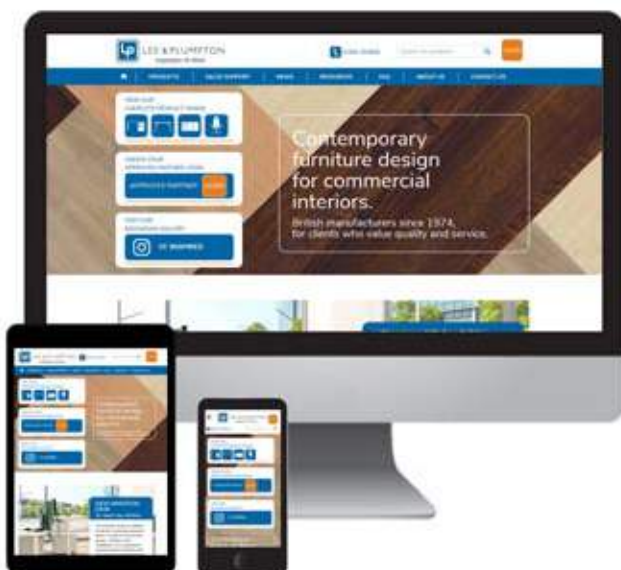

Take advantage of our professional space planning service to create the optimum layout for your project. Our design team can make recommendations and provide practical advice and guidance throughout the planning process.

You can download CAD blocks directly from our website.

## MARKETING LITERATURE PRINT & DIGITAL

Our experienced designers will work closely with you and your Account Manager to help you grow your business. We design a wide range of marketing materials and these can be adapted to complement your brand. From flyers, postcards, and posters to a wide range of digital collateral.

## WEBSITE

Visit our website for all the latest resources. As well as detailed 2D and 3D CAD blocks in an ever widening range of file types, we also have an extensive library of product images, assembly instructions, certificates and accreditations.

If you can't find what you need, please contact your Account Manager or our Customer Services team.

# ENVIRONMENTAL RESPONSIBILITY

We recognise our responsibility to consider all aspects of our manufacturing processes in terms of environmental impact. We are committed to continually improving the ways in which we can protect the environment, including the reduction of pollution and waste.

## ZERO TO LANDFILL.

Our recovery and recycling initiatives cover 90% of the waste we produce and the remaining 10% is processed as waste to energy (WTE).

## MEMBERS OF (FISP)

We are full members of the Furniture Industry Sustainability Program (FISP) and this enables us to focus on reducing our social and environmental impact.

## BS EN ISO 14001:2015 ENVIRONMENTAL MANAGEMENT SYSTEM

We measure and assess our efforts through our integrated management system by setting clear objectives for improvement, implementing a management programme, and conducting regular reviews for continual improvement.

EMS515183

## WASTE MANAGEMENT

The waste that we produce is segregated into individual streams and collected by a waste management company that manages the recycling. 10% is processed as Waste to Energy (WTE).

## FOREST STEWARDSHIP COUNCIL® (FSC®)

Our Chain of Custody certification (COC) with the Forest Stewardship Council® (FSC®) represents the unbroken path that certified products take: from the well managed forests of origin to the consumer.

This certification, combined with our efforts to reduce carbon emissions via various recycling initiatives, transportation and our investment in solar power, are all part of our ongoing commitment to work towards a more sustainable and greener future.

# WORK **INMOTION**

## FEEL THE DIFFERENCE

It's not whether you sit or stand,  
it's all about being InMotion

We all know that to make a difference to our general health and wellbeing we need to keep moving. With a sit stand desk even 10 minutes of standing will bring benefits to your day, but aiming for 20-30 minutes in every hour is a great target to reach.

Varying your posture can increase blood circulation leading to improvements in concentration and productivity.

**Increase Focus**

**Reduce Stress**

**Maintain Healthy Joints**

The InMotion desk complements an **active lifestyle** to improve your overall health

Keep moving with an InMotion desk.

20/2 rule – every 20 minutes take an active break for 2 minutes.

Exercise for at least 150 minutes a week.

### ILOA STOOLS

See page **156** for our ILOA stool, the perfect flexible companion for InMotion

### SIT UP

Correct posture is as important as movement. See page **144** for our full range of ergonomic task chairs.

# INMOTION ELECTRIC

An ideal solution to bring wellbeing to the workplace, our InMotion sit stand desks come in single or back to back versions to make the most of your project space. Whether a full installation, or to complement existing furniture, InMotion will add style and movement.

# ERGONOMIC SEATING

50 million  
working days are lost in the UK each year.

£5 billion per year  
The estimated cost of sickness absence in the UK economy.

75% of the working population in the UK  
spend more than 6 hours per day in a chair.

The second largest cause of office absence in Europe  
is lower back pain.

The largest cause of disability for workers under the age of 45  
is lower back pain.

40% of the UK population  
are affected by back pain.

Estimates show that for each person off sick with back pain,  
13 others will suffer in silence

“All the above information points towards the necessity for seating that offers adequate, variable and flexible support which can be adjusted sufficiently to suit the majority of the workforce.”
