DESIGN QUALITY SERVICE

COMMITMENT TO **QUALITY**

Continuous investment in facilities and training, coupled with a dedicated workforce and strong supplier relationships, ensures the quality, consistency and reliability our customers expect.

Our furniture manufacturing system conforms to the Quality Management Standard
BS EN ISO 9001:2015

We offer a 7-year guarantee on all products, unless specified.

OUR **PEOPLE**

We believe that our continued success in delivering excellence relies upon the commitment and integrity of our team. Our people are the foundation of our company values, and we strive to continuously improve our service to you.
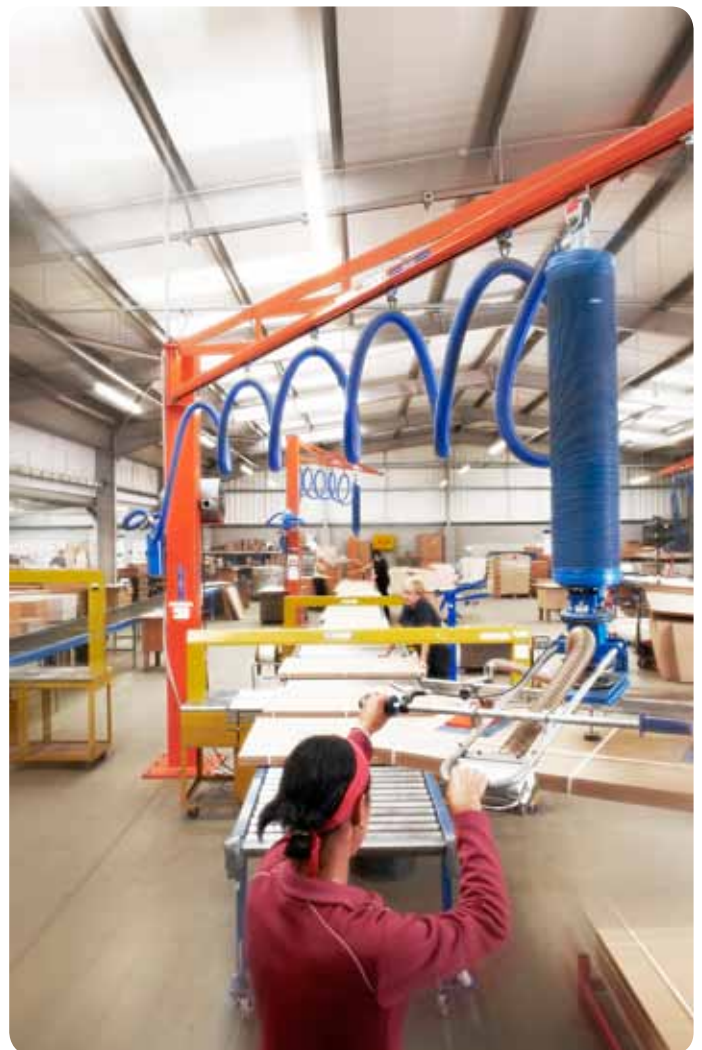

BESPOKE DESIGN

With its own production unit and dedicated team, our bespoke service offers tailor-made solutions that will transform your specifications into reality.

Whether it is a simple adjustment to one of our existing ranges, or your own unique design, we will deliver to the high standards of quality and finish that define Lee and Plumpton furniture.

If you are unsure what is possible, your Account Manager or a member of our design team will be happy to assist.

From the simplest to the most complex project, our team will support you from initial idea to delivery.

QUICK & ACCURATE **DELIVERY**

We will deliver your goods to you with the utmost care.

Rapid order turnaround is guaranteed via our weekly scheduled deliveries and on many items we offer Quick Ship. Whilst our standard deliveries are free of charge, we also offer next day delivery on stocked items, or customers may collect with 24 hours' notice.

DELIVERY GROUPS

Our products are grouped by their delivery status.

Quick Ship: Products delivered within 5 working days from your order deadline date.

Group A: Products subject to a longer lead time.

Look out for the Quick Ship logo.

ENVIRONMENTAL RESPONSIBILITY

We recognise our responsibility to consider all aspects of our manufacturing processes in terms of environmental impact. We are committed to continually improving the ways in which we can protect the environment, including the reduction of pollution and waste.

ZERO TO LANDFILL.

Our recovery and recycling initiatives cover 66% of the waste we produce and the remaining 34% is processed as waste to energy (WTE).

MEMBERS OF (FISP)

We are full members of the Furniture Industry Sustainability Program (FISP) and this enables us to focus on reducing our social and environmental impact.

BS EN ISO 14001:2015 ENVIRONMENTAL MANAGEMENT SYSTEM

We measure and assess our efforts through our integrated management system by setting clear objectives for improvement, implementing a management programme, and conducting regular reviews for continual improvement.

EMS515183

WASTE MANAGEMENT

The waste that we produce is segregated into individual streams and collected by a waste management company that manages the recycling. 10% is processed as Waste to Energy (WTE).

FOREST STEWARDSHIP COUNCIL® (FSC®)

Our Chain of Custody certification (COC) with the Forest Stewardship Council® (FSC®) represents the unbroken path that certified products take: from the well managed forests of origin to the consumer.

This certification, combined with our efforts to reduce carbon emissions via various recycling initiatives, transportation and our investment in solar power, are all part of our ongoing commitment to work towards a more sustainable and greener future.

INMOTION SIT-STAND DESKS

InMotion sit-stand desks are available as electric or manually operated desks, in single or back to back options.

ILOA
ERGONOMIC STOOLS

The ILOA swivel saddle stool, encourages good posture, allowing you to sit comfortably at different heights. ILOA is the perfect partner for our InMotion sit-stand desks.

IN**MOTION**

In the UK, the typical office worker still spends the majority of their working day sitting down at a desk.

Above: Back to back InMotion desks in maple with silver frames and screens.

We all know that to make a difference to our general health and wellbeing we need to keep moving. Even something as simple as periodically changing our posture at work can have a positive impact on our physical and mental wellbeing.

InMotion gives you the power to choose the optimum working position for you.

ERGONOMIC MOVEMENT

- Electric or manual.
- Single or back to back.
- Choice of four widths.
- Silver or white frame.
- Six work top finishes.
- Four setting control panel available.
- Screens available.

5 BENEFITS OF INMOTION DESKS

Better **Posture**

No more slouching in your chair or hunching over your desk.

Promotes **Creativity**

Studies show that standing desks can boost creativity and even make you more receptive to collaboration.

Burns **Calories**

Standing burns more calories than sitting down.

Beats **Fatigue**

Simply being on your feet can stop you from feeling as tired and boost your motivation.

Improves **Productivity**

By standing up you feel more alert, which helps you to stay focused on the task in hand.
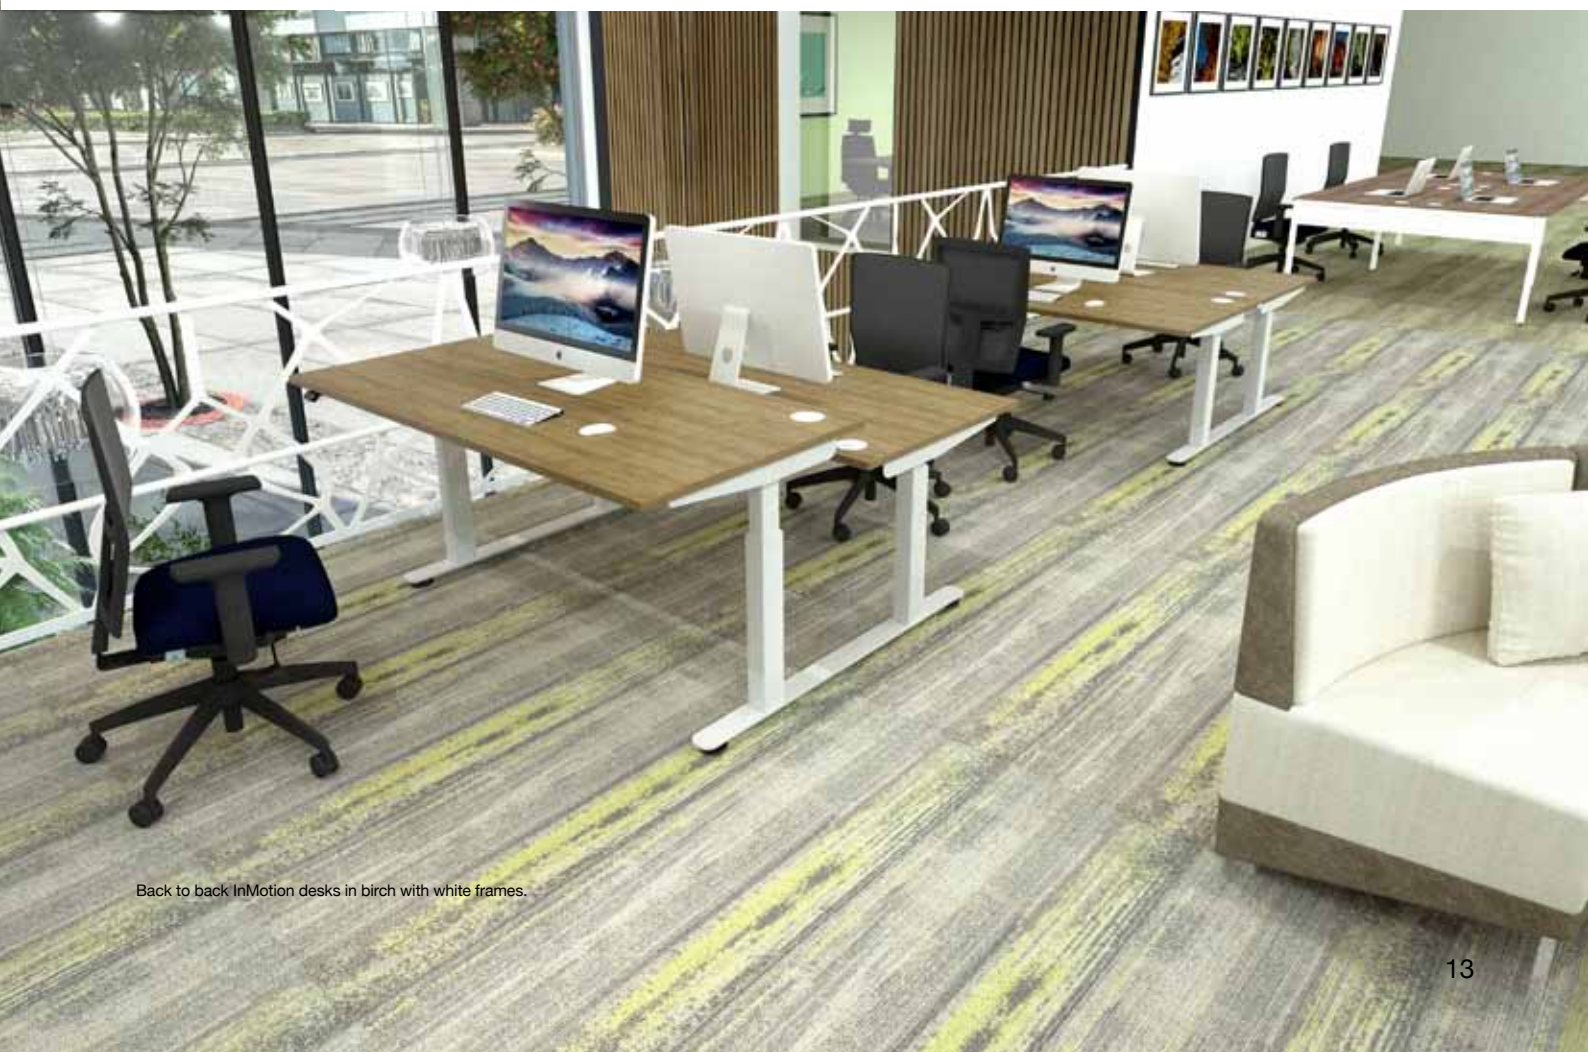

Back to back InMotion desks in birch with white frames.

IN**MOTION**

Stylish, ergonomic and with consistent design details across the whole range, InMotion will transform your workplace, and your workforce.

Whether the simple push button controller, or using the front crank handle, all of our InMotion desks move effortlessly between their lowest and highest settings.

ANTI-FATIGUE SYSTEM MATS

Get the most out of our InMotion sit-stand desks with an ergonomic surface mat.

Designed to encourage regular foot movement and changes in standing position, to stimulate blood flow and increase metabolism.

The supportive standing surface reduces the strain on feet, legs, knees and back joints.

- Contains anti-microbial ingredients to protect from microbial deterioration and is effective for the life of the product.
- Anti-slip base with 'easy-slide' for repositioning.
- Environmentally friendly. Non-toxic and phthalate free.
- 10 year Guarantee
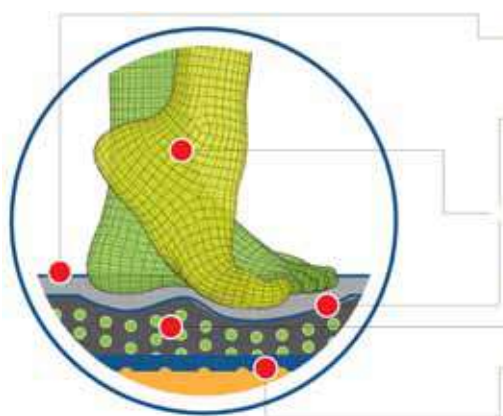

Embossed PVC or tactile Polyester top surface with anti-microbial additive.

Formed or printed ergonomic features of various depths and contours designed to massage feet and help induce subconscious micro-movements.

Micro-movements help blood circulation and can increase metabolism, helping to further reduce fatigue.

Specially formulated polyurethane of different thicknesses across the range designed for optimum impact reduction and long standing comfort.

Bevelled edge and non-slip base layer.
