Maintaining our commitment to reflect evolving design trends, we have launched two stunning new finishes. The Nebraska Oak range, available in natural or grey, features a striking, textured appearance and the subtle colour tones are ideal for both classic and modern environments.

As an introductory offer, we are including these new finishes within our standard options - an opportunity to create highly impactful interiors, at no additional cost*.

*New finishes are available on Group A 'made to order' lead times. Excludes Galaxy, Smart Top and Standard Reception Counters.
